Objektbeschreibung

The most distinctive collection of luxury penthouses elegantly planned and positioned in the heart of vibrant Schöneberg, one of Berlin's finest addresses.

This discreet development offers a new level of design for 21st-century city living while retaining the fascinating village atmosphere.

It is the most exciting and desirable new development Berlin has to offer, surrounded by art galleries, museums and concert halls, such as the Berlin philharmonic hall and National Gallery along with green areas, weekend markets, and private members' clubs and hotels.

This spectacular 3-room penthouse is situated at the top of the new development. It presents two large private terraces facing the external area and the quiet courtyard. West and East oriented, it allows daily light at any time.

The penthouse benefits from a huge living area, multiple bathrooms and space-optimised bedrooms. Impeccably high standards in the specification ensure uncompromising regard for comfort and security and an extensive range of modern construction materials of German-made quality.

For those residents making frequent trips overseas, the penthouse is well located, only 30 minutes by car to the main Berlin-Brandenburg Airport.

First Citiz Berlin team is happy to provide you with further information about this unique property and unit availability. Races and balconies offer a unique living experience in the heart of Berlin!

City area

Schöneberg is a contrasting district, both exuberant and residential, located in West Berlin. It's known for the KaDeWe, the historical luxury department store of Berlin, built at the beginning of the 20th century. The imposing town hall is lined with a square where one is one of the largest open-air markets in Berlin every week. Nearby, the large RüdolfWilde Park offers a pleasant walk, with its small baroque chateau located on the lake. Nollendorfplatz is a very lively area with its restaurants, bars and street concerts in summer. There are also many art galleries on Potsdamerstraße, like Kunstpalais. Schöneberg is well served by public transport, notably thanks to the underground train which some Art Nouveau resorts is worth to be visited. Several well-preserved Art Deco buildings are located in Schöneberg, which cohabit with buildings from the 1950s and luxury new built projects.ater, cabarets, bars ...), like around Akazienstraße.
