Objektbeschreibung

This beautiful 2,5 room apartment is located in a listed building ensemble from the 1930s, which is in very good condition. Several renovations have been carried out in recent years, including the roof and the stairwells.

The light-flooded apartment is located on the 2nd floor and is in excellent condition. The apartment was completely renovated a few years ago and has been treated with great care ever since. The design-loving bathroom with its polished terrazzo floor is a real eye-catcher. Polished, beautiful old building floorboards characterize most of the picture. The south-facing eat-in kitchen with its spacious balcony overlooking the huge, green inner courtyard with mature trees is simply fantastically charming. The fitted kitchen is included in the price. The ceiling height of up to 3 m creates a generous sense of space.
